

The Delco Group Charities Fund Recommendation Packet

Enclosed is the recommendation packet for The Delco Group Charities Fund non-profit organization. The Delco Group is a locally based non-profit with the intention of helping individuals, families, and organizations within the Delaware County community that have fallen on a difficult situation or are in need of help.

The assistance provided by The Delco Group may come in several different ways, ultimately decided by The Delco Group Board. In the application packet, please provide as much detail as possible regarding your recommended cause.

All recommendations will go through our standard background review process. The recommendation may qualify to be reviewed by our board, at which time a decision will be made. If your recommendation has been reviewed and accepted by the board, a representative from The Delco Group will contact you directly to arrange further discussions. The Delco Group is a young non-profit and while we certainly wish that we could help and approve every cause that comes across our desk, financially it is simply not possible. Some recommendations may be put into a queue with the potential of being chosen as a future cause when proper funds are available.

Please keep in mind that The Delco Group typically meets monthly to discuss any potential recommendations, so your review process may take as long as 30 days. Within that window, **you will receive a response, only if your cause has been approved.** For cases that have not been approved, they will remain in our system with the potential to receive additional review for up to 90 days. If the cause is not approved during that time, it will not be approved.

Due to overwhelming inquiries, only recommendations that have been approved will receive a formal response from The Delco Group.

Note: Typically The Delco Group will NOT donate to GoFundMe accounts, or provide direct financial assistance (Cash, Check etc to a recommendation).

Thank You,
The Delco Group Charities Fund
